

Berkeley County Foundation for Education

Thank you for your grant of \$500.00 to fund my "Expanding Word Literacy" project. I wanted to let the foundation know that the vocabulary workbooks are in, and my students are eagerly expanding their vocabulary. They are excited to have their own workbook in which to write! The workbooks also have an online audio program. My students have responded well to this component of the program. Please thank everyone for their hard work and dedication to your foundation. Each of you have made a positive difference in the education of Berkeley County students.

Sincerely,  
Denise C. Taylor
